NOTE: All area codes are (304) unless noted.

The Lincoln County Family Resource Network is a group of individuals and agencies that meet the third Tuesday of each month on the second floor at West Hamlin City National Bank. The group addresses many of the pressing issues faced by Lincoln County residents. The purpose of Quick Reference to Community Services is to make the public aware of some of the resources that are available within their communities.

The LCFRN is being presented with financial assistance as a grant for the WV Department of Health and Human Services.
